## ACA YOUTH CAMP INFORMATION AND EXPRESSION OF INTEREST

### Structure

- Youth Camps must be run and managed by a current ACA Affiliated Committee with current and up-to-date insurance. If the Committee does not have ACA's Insurance cover then a copy of the Committee's Certificate of Insurance must be provided upon affiliation application.
- The Committee must follow the framework and guidelines as set out below.
- The Committee must complete in full an Expression of Interest form (EOI) and submit to the ACA Office,
- EOI forms with missing or incomplete information will not be considered.
- The ACA Office will forward the EOI to all members of the Youth Camp and Starter Clinic Sub Committee and the Executive Group of the ACA Management Committee for approval.
- Committee volunteers and facilitators must comply with the relevant state authority Working With Children check. Parents attending the camp due to the fact that their children are partaking in the camp are exempt from this requirement.

### Framework

- All participants and facilitators must be current ACA members; you will be required to submit a participant listing to ACA the week prior to this event for current membership checks to be done in a timely manner.
- A maximum fee of up to \$150/day per attending member can be charged by the Committee, with refunds in line with ACA rule D5.
- The Committee is to collect all monies from the members, for the Youth Camp and catering.
- The Committee is responsible for paying for all expenses that are incurred from running the Camp e.g. ground hire, cattle hire, cattle cartage, facilitators, and Medical Service Providers.
- If extenuating circumstances occur then, on application from the organising Committee, the ACA Youth Clinic/Starter Sub-Committee may decide to help the Committee with funding. Invoices must be submitted to ACA to show proof of expenses. ACA will not make the payment for the expense claim until the invoices are received.

- When a Youth Camp is approved and a date is confirmed, the event will be listed on the ACA Events Calendar and will be advertised on the ACA Website and the ACA Facebook page.
- All Facilitators are recommended to be accredited ACA Judges or Open Riders. At a minimum, one Facilitator must be an ACA Open Judge, and this person must deliver the Rules segment. Facilitators can be paid up to \$200 per day for their time, however most facilitators donate their time.
- The recommendation is one facilitator per 10 participants.
- As per the ACA rules regarding the Medical Services Policy, the committee must ensure that a Medical Level 1 is in attendance when cattle are being worked. This policy is available to be downloaded from the ACA Website at any time.
- All participants under the age of 18 years must wear a properly fitted helmet as per ACA rules.

## Expression of Interest Form – ACA Youth Camp

The aim of a Youth Camp is to provide Junior and Juvenile members the fundamentals of Campdrafting, so that they can be confident that they are competing in a safe and fun manner. Whilst it is expected that the Committee recover costs for the camp, it is not to be seen as a money making venture, financial assistance may be available upon application.
