Program Checklist for ACA Affiliated Committee Secretaries

- A copy of the program must be submitted for approval no later than fourteen (14) days prior to the first day of nominations opening for an affiliated event. Forward program to aca@campdraft.com.au.
- All approved programs will be uploaded to the ACA website at the ACA Affiliated Committee's request.
- A program will not be approved until the below required information is present on the program.

Affiliation

- Has your Committee renewed their affiliation with the ACA?

ACA Affiliated Statement

- Ensure your program clearly states: 'Program is ACA Affiliated & run in accordance with the *General Information Competition Rules & Guidelines*.'
- No ACA waiver is included.

Status Disclosure

- All drafts with the exception of Maiden, Maiden 4 Maiden, Novice, Open, Restricted Open (RON or ROO), Futurity and Ladies need to disclose how and if the winner will break status. If the winner will not break status, this needs to be disclosed as well.

Member and Horse Details

- If you are not using Campdraft One, ensure your program clearly states: 'ACA requires all Competitors to ensure all details mirror that of their ACA member and horse profiles, across all non Campdraft One nomination platforms.'
- Program must state if the committee is accepting Event Members or not.
- If accepting event members, committee must include a copy of 'EXT096 Event Membership for Competitors' at the end of their program (supplied in Post Affiliation Pack).
- If your committee chooses to accept Event Members using a non Campdraft One nominations platform, please be aware of the process for this:
 1. Anyone who wishes to nominate for the draft must ring in the office and pay the \$25 for a Casual Membership profile. Once this is done, they will be permitted to be on the nominations list. If this hasn't been done, they will be flagged on the nominations list.
 2. Once the competitor has been accepted and they appear on the competitors list, ACA will use the competitors list the committee provides to count how many Event Memberships will be used at the draft.
 3. It is the committee's responsibility to collect the \$100 Event Membership fee for each competitor that uses one over the weekend. No Event Membership fees should be taken over the weekend for those who have not yet registered their Casual Membership profile.
 4. After the draft ACA will invoice the committee for Event Membership fees that the committee collected.
- If your committee chooses to accept Event Members through Campdraft One, please be aware of the process for this:

- a) Tick the box in your draft set up to accept event members. This will charge any casual members who are accepted into your draft \$100 for their Event Membership.
- b) The competitor will receive an invoice for their nominations and a second invoice for their event membership.
- c) The competitor will pay the \$100 event membership fee to your committee. The competitor will need to be marked as paid as usual and in the 'Show Event Members in Draft' button.
 - i) To do this, select 'Update Status' in the table in line with their name. Select the checkbox under 'Paid' then click 'Update.'
- d) Any Casual Members who have not had their Event Membership marked as paid as described above will not appear in the draw.
- e) After the draft, ACA will invoice the committee for Event Membership fees that the committee collected.
